

## Disclaimer

This disclaimer governs your use of the services provided by Cointelegraph and Decentralization Guardians by Cointelegraph or Decentralization Guardians (the "Platform"), which allows users to delegate their tokens to our validator or other validators. For the purposes of this disclaimer, references to "we", "us," or "our" mean Decentralization Guardians by Cointelegraph or Decentralization Guardians, its affiliates, and any of their respective shareholders, members, directors, officers, and employees.

Our services and the Platform are provided on an "as is" and "as available" basis without any warranties of any kind, whether express, implied, or statutory, including, but not limited to, implied warranties of title, merchantability, fitness for a particular purpose, and non-infringement. We make no representations or warranties that access to our website, services, the Platform, or any materials will be continuous, uninterrupted, timely, error-free, accurate, complete, reliable, current, or free of viruses or other harmful components.

To the maximum extent permitted by applicable law, we specifically disclaim any responsibility for direct, indirect, special, incidental, intangible, or consequential losses or damages arising from or relating to the performance or non-performance of the services or the Platform, any data inaccuracies, unauthorized access, software or network failures, or any third-party activities. This includes, but is not limited to, losses related to digital asset volatility, potential unauthorized acts by third parties, delays or interruptions in data transmission, or any failure to maintain privacy or security in connection with the Platform.

You hereby acknowledge and agree that you use the Platform and our services entirely at your own risk and assume all risks associated with digital assets and decentralized systems, including potential loss of tokens or assets. We do not guarantee the performance of any validator to which you delegate your tokens. You agree that you will have no recourse against us or any of our affiliates, shareholders, members, directors, officers, employees, agents, representatives, suppliers, or contractors for any losses, even if we knew or should have known of the possibility of such damages.

The information contained on this web site is not intended as, and shall not be understood or construed as legal, tax, investment, financial, or other advice. Nothing contained on this web page constitutes a solicitation, recommendation, endorsement, or offer by Cointelegraph or any third party service provider to buy or sell any cryptoassets or other financial instruments. We advise you to spend only what you can afford to lose, and always seek independent financial advice if you are in doubt. You should not purchase any cryptoassets if you do not fully understand the nature of your purchase and the risks involved. We recommend that you refer to the Decentralization Guardians by Cointelegraph or Decentralization Guardians validator's Terms of Service and help/ support pages for more information.
